## Our Impact

- ✓ Over \$3.5 million secured in 2024 for Indigenous and non-profit clients
- ✓ 15+ years experience working with First Nations and Métis communities and organizations
- ✓ Success in accessing federal, provincial, and municipal grant programs

Axioma specializes in securing grant funding for Indigenous communities and non-profit organizations.

We help busy leaders unlock vital resources to strengthen and build long-term capacity.

## Our Services

### Research

We find and identify grants aligned with your needs.

### Writing

High-quality proposals sharing your story to meet funder requirements.

### Full Grant Lifecycle

From start to end, we support the grant writing & reporting process.

### Partners

We become part of your team working to meet your goals.

## Why Choose Us

- More than just writers, we're strategic advisors working with you
- Experience working with Indigenous communities and organizations
- Culturally and community-centred approach
- Low-risk, transparent pricing through a flat-fee retainer model
- Performance incentives tied to your grant success

# How We Work

*My success rate was zero. Get help! Axioma is doing the right things for the right reasons.*

*- Chard Métis Nation*

*It's giving people a lot more time to do their jobs. It gives us more hope. Axioma is phenomenal to work with.*

*- Beaver Lake Cree Nation*

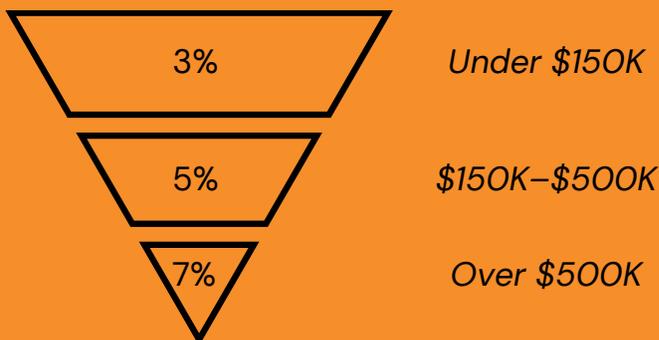

## Our Model

Operating on an annual retainer to provide ongoing grant writing support

\$2,500/month plus a success fee incentive

Includes research, writing, submitting an average of one grant per month, plus report writing

Success Fee Incentive:

*\* Based on cumulative total in a contract year*

**We are not successful, until you're successful!**
